Schlage® Buying Guide

- 1 Choose your door type.
- 2 Find the corresponding function for your security needs.
- 3 Choose the finish and style that complements your décor. See the product guide on pages 12-13 for styles.

Schlage Security Tip

Choose a Keypad Lock for your bedroom, closet, basement, or utility room for an added layer of security.

2 HARDWARE FUNCTION
Use the color bars on the package to find the right function.

Real Security Sets You Free.™

Schlage® has built a legacy of providing the highest level of security to homes and businesses. Install a Schlage, and you install nearly a century of total dedication to security, quality and innovation.

Go Keyless

Schlage's line of electronic locks offers you flexibility and security without the need for keys. Just enter your personal 4-digit user code to unlock your keypad lock.

- Average 3 year battery life—9V battery included
- Easily installed with a screwdriver, in minutes. No wiring required.
- ANSI Grade 2 electronic lock for enhanced security
- Comes pre-programmed with two unique user codes—programmable for up to 19 personal user codes
- Visit www.schlage.com for demonstration videos about installation and use

*tip

Schlage Style Tip

Pair a Hall/Closet knob or lever with a Keypad Deadbolt for a more convenient solution.

An Innovation Leader

Enhanced Security and Easy Installation

Schlage has built a legacy of providing the highest level of security and convenience for the past 90 years.

Schlage products feature:

Easy Installation

Schlage products are designed with adjustable components for a solid fit and simple installation.

10 Times More Security

SecureKey™ Technology enables ten times greater number of possible key cut combinations, which allows for greater security.

Easy Do-it-Yourself Rekeying

In two easy steps, you can safely and securely rekey your locks to save time and money while controlling access to your home by updating your keys, not replacing your locks.

Biggest Bolt Available!

***tip**

Schlage Installation Tip

The adjustable throughbolt slides up or down eliminating the need to patch or redrill your door.
